REALTY SERVICES PROGRAM :

The Realty Services Program provides strategic real estate management, on behalf of the Government of Ontario and its ministries, by setting policy and standards, negotiating and administering service contracts and the sale of surplus properties. The program ensures optimum use of the province's real estate assets and provision of cost-effective design, construction, leasing and property management services in support of ministry and agency program needs.

CORPORATE CONTROLLERSHIP PROGRAM :

The Corporate Controllership Program supports Management Board of Cabinet by providing leadership to ministries to achieve the Government's agenda. It determines the most appropriate use of public resources through setting, monitoring and adjusting government's resources and by setting standards, policies and strategies to meet corporate objectives. The program also includes providing internal audit services to all ministries, contingency funding for employee severance costs and the costs of other corporate initiatives.

INFORMATION AND INFORMATION TECHNOLOGY PROGRAM :

The Office of the Corporate Chief Information Officer (OCCIO) leads and coordinates the information and information technology (I&IT) function in the Ontario Government. This includes implementing the OPS wide I&IT strategy for using I&IT to advance the government's business goals and create a flexible, responsive and innovative public service. The OCCIO also provides and manages a common corporate I&IT infrastructure service to enable cost effective delivery of both individual programs and government service initiatives.
