TAX POLICY, BUDGET AND REVENUE OPERATIONS PROGRAM :

This program has two components, Budget and Taxation Policy, and Tax Revenue. The Budget and Taxation Policy area advises and assists the Minister of Finance and the Government in formulating Ontario Budget policy including tax policy, tax design and legislation, federal-provincial finance policy and pension and income security policy; develops the Ontario Budget and other major economic/fiscal documents; manages the Province's taxation, intergovernmental finance and related policy development; co-ordinates research to identify broad economic taxation and fiscal implications of specific and emerging trends and developments.

The Tax Revenue area administers Ontario's tax statutes. The integrity of the province's self-assessment system is maintained by encouraging compliance through taxpayer information services and independent objections review, while discouraging non-compliance and tax evasion through collection activities, audits and investigations. The program also administers various tax credit and benefit programs.

FINANCIAL SERVICES INDUSTRY REGULATION PROGRAM :

The Financial Services Commission of Ontario (FSCO) provides for the regulation of insurance, pension plans, loan and trust companies, credit unions and caisses populaires, mortgage brokers and co-operative corporations by delivering efficient and effective regulatory services that protect consumers of financial services and support a reliable, dynamic and competitive industry. FSCO also makes recommendations to the Minister on matters affecting the regulated sectors. In addition, the Motor Vehicle Accident Claims Fund (MVACF) compensates persons injured in automobile accidents in Ontario by an uninsured, unidentified or stolen vehicle where there is no other insurance available to respond to the claim. Securities regulation in Ontario is performed by the Ontario Securities Commission (OSC). On November 1, 1997, the OSC became a self-funding agency, financing its operations through retention of its fee revenues.
