The Tourism Capital Program preserves and enhances Ontario's investment in tourism infrastructure. The Ministry manages the infrastructure development commitments of the province's \$300 million, five-year capital infrastructure initiative - the Sports, Culture and Tourism Partnership program, and through its own infrastructure responsibilities, the Ministry is responsible for rehabilitating provincially owned and operated assets as economic catalysts. The funding to the Ministry's agencies, attractions and convention centres allows them to undertake basic building repairs and rehabilitation of existing infrastructure, such as renovations, building code upgrades, security improvements and statutory/regulatory compliance, and helps them to remain competitive.
